🧳 Preparation & Arrival in Bali

1. ✅ Before Booking

- Check passport validity: at least **6 months**.

- Book return flights early.

- Inform us of any **health-related conditions** (for program adjustments).

2. 💳 Payment & Booking

- After request: receive **confirmation + invoice**.

- Deposit within **5 days**.

- Remaining balance at least **30 days before trip start**.

3. 🌐 Visa (e-VOA / Visa on Arrival)

- Option 1: **e-VOA online** via evisa.imigrasi.go.id or molina.imigrasi.go.id.

- Option 2: **Visa on Arrival** at the airport (approx. IDR 500,000 ≈ €30–35).

- Apply earliest **14 days before departure**, latest **48 hours before flight**.

- Save visa **digitally & printed**.

- Tip: e-VOA saves up to **2 hours waiting time**.

4. 🛃 Electronic Customs Declaration (e-CD)

- Official website: ecd.beacukai.go.id.

- Complete online **max. 72h / 3 days before arrival**.

- After submission: QR-code via email → save digitally & printed.

5. 🩺 Health App (SATUSEHAT)

- Mandatory for international travelers.

- Download **"SATUSEHAT Mobile"** app (formerly PeduliLindungi) on iOS & Android.

- Register Health Pass → receive **QR-code**.

✈️ Arrival in Bali

✈ On the Plane

- Keep passport, eVisa, return ticket & customs QR-code ready.

🛂 Immigration / Entry

- Present passport + eVisa.

- With eVisa: often possible to use **E-Gate control** (saves time).

- Important: visa must be correctly linked to your passport.

⚡ E-Gate Visa Check

- Automated process, no manual control.

🧳 Baggage & Customs

- Collect luggage.

- Show customs QR-code.

🤝 Meeting Point

- At the exit, the team awaits with a **name sign**.

- Direct transfer to the accommodation.
